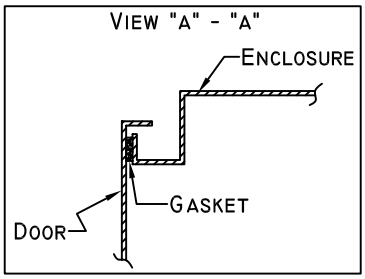
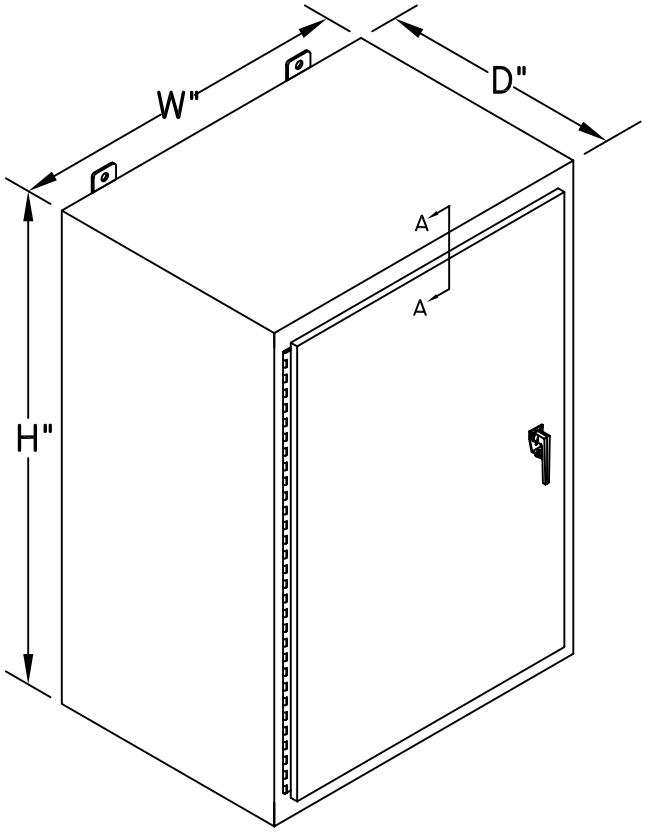
Technical Specification





NEMA 3R Junction / Pull Box w. Hinged Cover

- ☐ Junction and pull boxes are constucted with all welded seams. Material is galvanized sheet steel, conforming with ASTM A-924 and G90.
- ☐ In instances where a painted finish is required, Galvanealed steel, ASTM A-653, will be used.
- ☐ Cover is provided with continuous piano hinge and a 3-point latching mechanism supplied with either a padlock or keylock handle.
- ☐ External mounting ears are standard.
- ☐ Total custom capability allows us to meet a wide range of customer needs. We can supply special sizes, shapes, holes, or cutouts.
- ☐ NEMA 3R junction/pull boxes are constucted in accordance with UL bulletin #50 and NEMA 3R specifications.
