

### NEMA 1 Junction/Pull Box w/ Hinged Cover

- Junction boxes and pull boxes are constructed with all welded seams. Material is galvanized sheet steel, conforming with ASTM A-924 & G90-U.
- In instances where a painted finish is required, Galvannealed steel, ASTM A653 & G60-U will be used.
- Also available in 5052 aluminum or 304 stainless steel upon request.
- Boxes are provided with hinged covers, rear mounting holes, and a ground screw. Keylock or screwdriver latch available.
- Total custom capability allows us to meet a wide range of customer needs. We can supply special sizes, shapes, holes, or cutouts.
- NEMA 1 junction and pull boxes are UL listed.
