

Technical Specification

Slides Into Each Other
and Screws Together

Pole Base Cover

- ☐ Pole base covers are constructed with all welded seams. Material is galvanized sheet steel, conforming with ASTM A-653.
- ☐ Identical pieces are designed to slide into each other and screw together.
- ☐ Pole bases are powder coated after fabrication to the customer's specifications.
- ☐ Total custom capability allows us to meet a wide range of customer needs. We can supply special sizes, shapes, holes, or cutouts.
